These Are Our Friends

Seated: Mr. G. Beswick (V. President), Mr. Capo (President), Mr. M. Klausing (Secretary).
 Standing: Mr. E. Durkin (Solicitor), Mr. D. Marguriet, Mr. G. Mochan, Mr. E. Locke, Mr. W. Berkoben.

BOARD OF EDUCATION

Our School Board is the nucleus of our school machinery. These seven progressive-minded gentlemen, together with their solicitor, keep us moving in the right direction and are always striving for better education for us. They spend long hours discussing school problems, making important decisions, and formula-

ting school policies. As a result of their much-appreciated efforts, we have an efficient school personnel, a well kept building, needed school supplies, up-to-date equipment, and a good athletic program. Without their valuable service our school would not function properly.

ADMINISTRATION

Since his arrival at Wilmerding High School Mr. McKeeta, our Supervising Principal, has won the co-operation of the students and the faculty by his efficient methods of supervising our school's activities. He is constantly looking for a way to improve the scholastic standing of our schools. We are aware of the vast problems that arise during a school year in a school district this size and we wish him luck in the following years.

MR. McKEETA
Supervising Principal

The personality of our principal Mr. Carver, has won him many friends in his past years at Wilmerding High School. When greeted by his broad smile we are given confidence throughout each school day. In times of need he is never too busy to discuss even the smallest problems with us. Mr. Carver will always be remembered by us because of his close relationship with the students here. He has shown great success through the school year and we hope he will continue this fine work.

HEALTH PROGRAM

Gave Us A Sunny Disposition And A Toothpaste Smile

At one time or another we have all had a visit to our Health Department. Three times during our days at W. M. H. S. we have received a physical examination by our school physician, Dr. Leonardo; eye examinations by Dr. Bloom; and dental examinations by Dr. Barrett. Mrs. Shearer, our school nurse, is always ready to give her able assistance. We consider her a wonderful friend as well as an excellent nurse.

BEST ARTISTS

Because of their greatest ability Ken Fonas and Joan Sonovic earned the title of best artists. They are the ones who help with the many posters in the hall and all art work that needs to be done for the many organizations in our school. We heartily thank them for the help they have given us and hope they will find further satisfaction in the art field.

BUSIEST

We extend our appreciation for all the work that Cornelia Kelly and Tom Borellis have contributed to our senior achievements. Besides being kept quite busy as Editor of the Campus Comments, Cornelia takes part in many other activities. Tom is always busy with student council work and student assemblies, etc. These two sincere hard working seniors have really earned their title as busiest.

BEST DRESSED

James Speranza and Antoinette DiNapoli lead the line on choosing colors to wear and styles for the occasion. Many students would give a lot to have the well designed clothes that these seniors have. The neatness of their clothes also help to keep up their appearance. Antoinette and James are tops when it comes to picking what to wear.

BEST LOOKING

The good looks of our beautiful commercial student, Ruth Postell, and our handsome vocational student, Larry Fiesco, make us wonder whether we are in a movie studio instead of a classroom. Ruth and Larry are the envy of all. With looks like their's, who knows, we may see them on TV or in movies someday in the future.

PERSONALITIES

NICEST PERSONALITY

The two seniors who always have a friendly smile and word for everyone are George Mazur and Josephine Yerace. Josie's friendliness and growing smile wins for her the friendship of all new students. Josie and George have more true friends than you could count on all your fingers. These two really deserve the title of having the nicest personality.

You're the Greatest!

J. Yerace and G. Mazur have a friendly chat—Nicest Personality

BEST DANCERS

Wherever there is a dance you will usually see our two best dancers, Martha Novakovich and Frank Patella, displaying their dancing ability. Martha and Frank enjoy dancing and everyone enjoys dancing with them. If you should need a pointer or two on the latest dance steps be sure to keep an eye on our two best dancers.

BEST ATHLETES

Many athletic abilities such as good sportsmanship, ability to play well, and the desire to win have helped Joanne Holub and Tom Wherli to make the grade as the best athletes in the senior class. Tom has especially shown excellence in the field of football and Joanne as a leader in the Girls' Athletic Council.

PERSONALITIES

SHORTEST AND TALLEST

Above the crowds we see the two tallest seniors, quiet Joanne Lord, towering W. Gosnell. Hidden in the same crowd our shortest couple, petite C. Wiley and humorous Paul Estok. These four are the tallest and shortest members of this years senior class.

The Cream of the Crop

MOST DEPENDABLE

James Corteal and Mary Ann Harcharik have well deserved and earned the title of most dependable. They are always willing to give a hand to anyone who needs it and they always do their job well. They are prompt with their regular school work as well as any extracurricular tasks and they both receive great pleasure in doing it.

NEATEST

The trim fashions worn by Marie Donchinen and the sharp combinations worn by Dave Kelly have helped them achieve the title as the neatest seniors. Their neatness is the envy of the majority of the students around the school. The excellent taste displayed by Marie and Dave help to brighten the halls of our school.

BEST MUSICIANS

Larry Drabik, trumpet player and Carol Primanti, saxophonist, have spent many hours practicing and working to attain their ability to play their instruments so well. As members of the band, they have worked hand in hand with the other band members to make our band one of the best in the state.

MOST LIKELY TO SUCCEED

Among the top students in the senior class are the two who are the most likely to succeed, Paul Sipush and Pat Maguire. They both receive excellent grades and are well liked by their fellow classmates. In years to come we will see them doing very successful work in whatever career they may choose.

MOST POPULAR

The pleasing personalities of Chuck Quinn and Genevieve Wiltuck have helped them become the most popular boy and girl in the senior class. A friendly smile and friendly word have acquired many friends for these two likable students. They will surely go far in life for with their personalities and ability to get along with people they deserve the best.

PRETTIEST HAIR

Pat Stolinski, pretty commercial student, and Lysle Williams, a sharp prep student, well deserve the title of having the prettiest hair. Pat is the proud owner of beautiful long curly light brown hair which is always in place. Lysle's bright red hair makes him stand out in any group. These two seniors serve as good examples for our other well-groomed students.

JUNIORS Look Forward To Their Senior Year

The Junior Class undertook various projects to provide funds for their prom and senior yearbook. In the operations of these activities all students were asked to participate in order that they would benefit from the education derived from these activities.

The Junior Class sold candy, magazines, held dances, and tried other methods

to raise money. We are looking forward to the Junior Prom which we hope will be the best held by any class of Wilmerding. We hope that all who attend will remember our prom for many years.

Everyone's ambition made our Junior Year a successful one. With this same ambition and will, we look forward to our senior year.

SOPHOMORES

Oh! . . . To Be Seniors!

From their beginning day at W. M. H. S., over one half of the sophomore class traditionally began their high school life with the felling of excitement mixed with uncertainty. As the days went on, after a continued frenzy of detours, wrong rooms, and adjustments to their schedules, those sophomores soon joined their classmates who had previously attended Wilmerding's school system. First on the agenda for the year came the football games, where the students became an enthusiastic, active group in the cheering of the varsity's victories.

Soon it was the Christmas season and their thoughts turned to our Semi-formal Christmas dance. Next in our sequence of time the New Year rolled in, bringing with it Basketball season. Once again these sophomores joined our school in a joyous and victorious spirit. This class of '60 is certainly destined for great things as proven by their illustrations of leadership and enthusiasm throughout the year.

FRESHMEN

Our Last Year of Junior High

September, 1957! We, the eighty-eight freshmen, were excited as we started on the final year of Junior High. We were eager to take our place as leaders of the Junior High, and eager for new experiences.

Under the superior supervision of Mr. Carver and Mr. McKeeta, we found ourselves on the road to bigger and better ideas. We participated in all activities, and cheered our basketball and football teams to victory. Many members of our outstanding band were from the freshmen class. We faced new problems and classes during this our freshman year, but under the able directions of our teachers, we brought the year to a successful conclusion. We will never forget this glorious freshman year, and our looking forward with eagerness to those more interesting and happy years in Memorial High.

EIGHTH GRADE

We've had a busy and enjoyable year, due to the fact that we have participated in many activities. We had a fine Junior High football and basketball team. We also had representatives in the Junior and Senior Band. This year we had to make a very important decision. This was to decide what course to

take for our following years in high school. The course we choose will determine our occupations after receiving our diplomas. This might seem far off, but before we know it, we will graduate from high school. And we hope to have the best class ever.

T. LaGorga, F. Marasco, E. Kokos

This has been a very exciting and thrilling year for us. After learning our way around, we became acquainted with many new friends. We were able to participate in more activities such as band and Student Council. We realize that we, too, will soon be seniors and graduation will soon be here. Soon we will be the citizens of tomorrow and Wilmerding High School will be the place where we will be trained to be better adults and citizens. All of the fun and activities has made us look forward to the future years at W. M. H. S. We are sure that we will have more fun and more activities to keep us busy.

In Memories

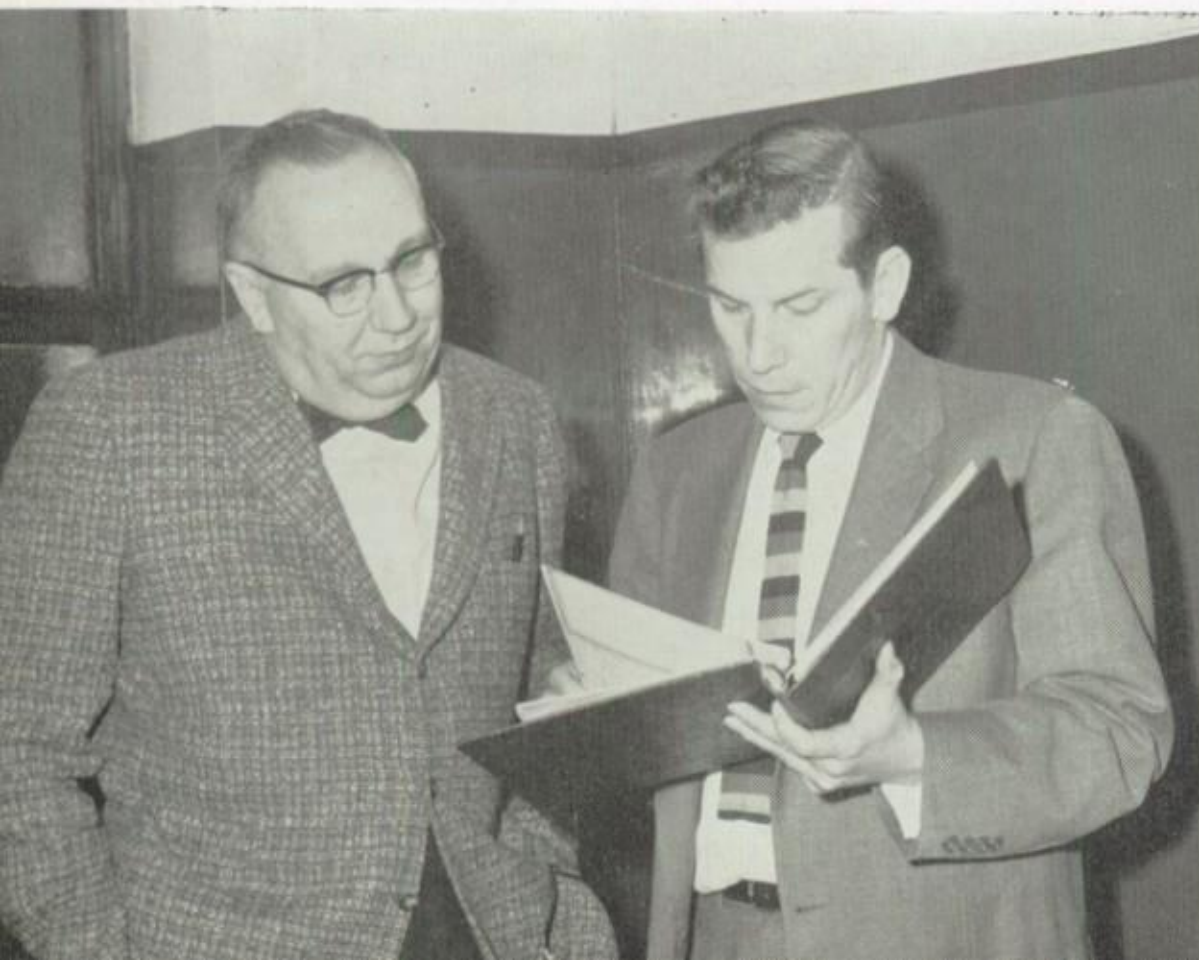

P. Maguire and R. Postell Co-editors of the Memorial

Many people don't realize the work it takes to produce a yearbook such as this one. Many hours have been spent trying to give you a yearbook that has everything. The staff has tried to capture in pictures or print the important events of the past year, with the idea of serving their class and helping their friends remember their good times. This job couldn't have been done without the aid of Mr. Dupar, our on-the-spot photographer; Mr. McLain, our advisor; the faculty; administration; and the students.

Although compiling the material used in the **Memorial** was quite a task, it still was pleasant. Knowing that their finished product would appear in print made the burden of writing, typing, or proofreading seem lighter to the staff. It inspired them to work harder to make the **Memorial** a worthwhile product.

Everyone on the staff has worked hard to make the **58 Memorial** the best one ever. We hope you enjoy reading it as much as we enjoyed making it.

-We Edit The News!-

Counting lines, spaces and pages, typing, cutting, and mimeographing are all part of a daily routine to a Journalism student. These various jobs are done to each page of the newspaper before it can be published. Through the efforts of these students the school's bi-monthly paper "Campus Comments," is issued. They try to bring the reader news and views of our own campus as well as those from surrounding schools. This room is always a beehive of activity for all assignments must be handed in before the deadline which is met by every person.

EDUCATIONAL MEASUREMENTS

Boys of the Non-Smoking Variety

E. M. B., as commonly called, is an abbreviation for Educational Measurements Bureau. E. M. B. is a club to which Sophomores, Juniors, and Senior boys of the non-smoking variety may participate. This club was organized to help correct the various I. Q. and interest tests given to the students throughout the school year. E. M. B. meets

every Monday evening in room 300 under the guidance of Mr. Manis. The first job at hand is to correct the tests. Then when all the work is finished, the boys retire to the gym for a fast game of basketball. Each team fighting for the star of the day, Mr. Manis.

VOCAL MUSIC

Twenty-six members make up the chorus of W. M. H. S. this year. The organization is under the directorship of Mr. James Drake, a graduate of Duquesne University. As a side line, Mr. Drake writes music and sings with "The Tempos." Their audiences love the pleasure of hearing the chorus' fine music at Thanksgiving, Christmas, and Easter. At graduation, a few of the more talented members will be asked to sing a solo upon their leaving Wilmerding High. Every school day, you can find these students diligently preparing for these occasions. This takes place the first period. There is one very interesting item concerning this year's chorus and that is, of the twenty-six members, there is not one masculine voice. The reason?—They are all girls.

BAND

Yea team! Fight, team, fight! Here is another Friday night and another football game. The crowd was in an uproar! Suddenly a deep "boom, boom" was heard in the distance and everybody stretched his neck toward the entrance to the field. There comes the band. It gave you a special feeling as the band marched onto the field in the colors which we know and love so well and led by the banners which stand for so much—our country and our school. How sharp and alert our majorettes looked as they marched down the field in front of our marching band.

Mr. A. Petrocelli

"Music, Maestro Please!"

A mighty cheer went up from the crowd. Suddenly the band struck up with the "Victory March" and soon had everyone in a wonderful mood for a football game.

This year, our band, under the superior direction of Mr. Anthony Petrocelli, has come a long way since the football season. Soon after the marching season, the band settled down to practice for our annual Christmas program and our winter concert. Many hours were spent in preparing for these.

Next on the agenda was the high spot of the year, the Pennsylvania Music League Forensic Contests. The band along with various soloists, groups and ensembles, are entered in this contest and always perform admirably.

In the future years we hope that the members of the band will hold up the good name of a band that none of us will forget.

LIBRARY ASSISTANTS

Treasure Island, Tom Sawyer? Yes, we have them.

In order to enable you to get the exact book desired, Miss Seneta has selected nine girls to aid the student. These girls have given up their study halls, home rooms, and many of their free periods to help you. The girls must learn how to file books alphabetically and also by the Dewey Decimal System. They are taught to check and renew your book rapidly and efficiently. Besides these duties, they also help you choose the book that they are sure you will enjoy best.

These library assistants receive no actual reward but are given a token of the librarian's appreciation at the end of the school year. We are sure, however, that they receive their real reward by knowing that you are happy with the book they help you select.

WMHS is very proud of their vocational boys. I know that, Mr. Straeger, their instructor, is equally proud. When a job has to be done, it is done well. They have numerous things to do around the campus such as working in the projection room showing the movies, preparing the stage for assemblies, and two of the boys even painted the scenery for our senior class play. You couldn't find a friendlier group of boys! As last year, the vocationals boast of having the most Handsome boy among them, Larry Fiasco. These boys will do well in their future occupations, and I know when they look back, they will say, "Thank you WMHS."

SENIOR PLAY

C. Kwolek and L. Urban.

The class of "58" presented its play "Anne of Green Gables" in December. A three act drama, it was the story of a young orphan girl, Anne, and her experiences at the home of Matthew and Marilla Cuthbert. When Anne got to the home, called Green Gables, everyone, especially, Marilla, was quite shocked. You see, Marilla sent for a boy! Matthew persuaded her to keep Anne. Finally, Anne succeeded in breaking through the barrier to Marilla's heart to make her become human.

Although rehearsing for a play is hard, time consuming work, the cast really enjoyed preparing for this play. What made the play especially enjoyable was the fact that we wore costumes in it, since the play occurred around 1910. The night of the play we were nervous, but when it was over we were relieved and a little sad. Participating in a play gives people a chance to know others better. It may be hard to learn lines and actions, but the execution of a good play is reward enough.

STUDENT COUNCIL

Democracy In Action For Us

The Student Council is in itself a miniature government which is the center of our school. Essentially we have working for us a Representative Democracy comprised of the council members who were elected from each home room. This year we elected as our council officers: C. Quinn, Pres.; D. Voigt, V. Pres.; M. Novakovich, Sec.; and J. Leonardo, Treas. With the helpful guidance of Mr. Manis we have acted as a means of organized communication between the student body and our administrators.

One of our many successful endeavors was the series of fine assembly programs throughout the year sponsored by the Student Council. Some of these fine assemblies were the talent shows.

The smooth operation of our Student Council this year illustrates the necessity of having a school government in all our schools today to promote better relations between students and their activities.

Among the unsung heroes of any school are those men who serve on the janitorial staff, headed by Julius Peduzzi here in Westinghouse Memorial. Their duties are too numerous that to list them would take more space than is available. But in spite of their many duties, these people can be counted on to help anyone who needs it, whether it be a teacher or student. And everyone knows that they will always do their best to accomplish each task successfully.

FOOTBALL

The 1957 season began as Wilmerding traveled to Union Township where they were defeated 27-0 by a good Union team. The Wildcats got on the winning track by hosting St. Vincent. Showing offensive power, they defeated the Bearcats 20-12. Homestead's class was too much for a fighting, underdog Wildcat eleven, and they went down to their second defeat, 20-13.

Wilmerding then traveled to Blairsville where Blairsville's speedy backfield and hard charging line were too much for the Wildcats, and they were defeated 30-7. Wilmerding's record now stood at 1 and 3.

The tides of fortune remained unchanged when the Wildcats invaded Glassport. The Wildcats lacked a scoring punch and suffered their fourth loss of the season, 13-0.

Players Gave Thrills To Many Fans

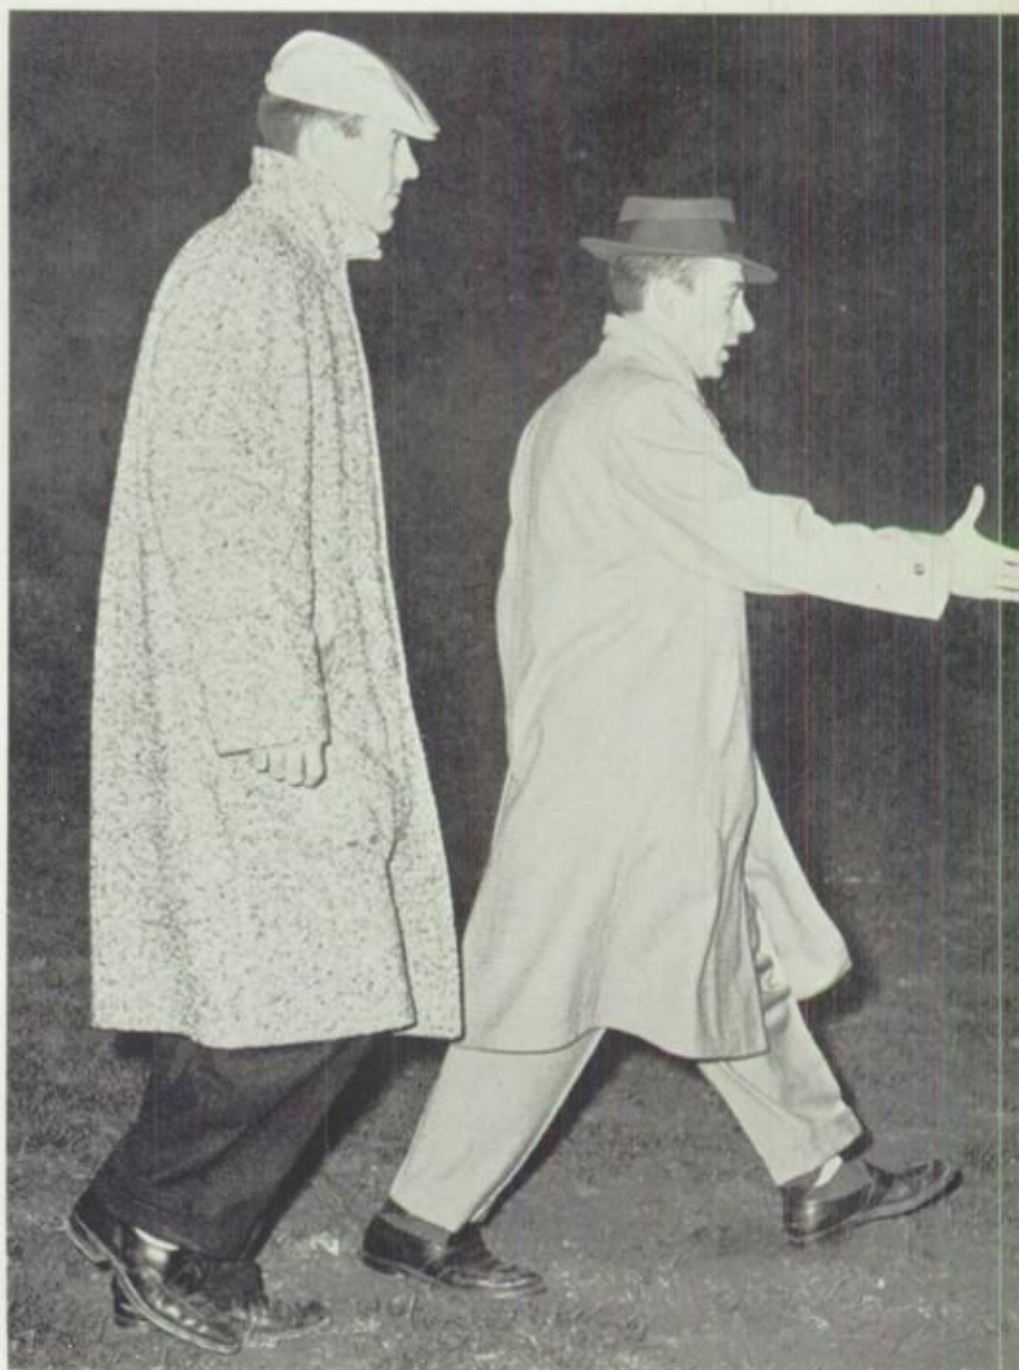

Wilmerding broke the famine by scoring a 14-6 win over Penn Claridge. A steady ground game behind some good blocking in the line gave the Wildcats their second win of the season. This win gave a much needed lift to the Wilmerding eleven.

In a close ball game, Wilmerding defeated North Huntingdon 7-0. The following week the Cats hosted a highly favored Scott team and although fighting gamely, were downed 13-0.

Seven Senior Gridders Bid Their Farewell.

Wilmerding's next foe was Swissvale and the two teams played to a scoreless deadlock. The field was very muddy, and neither team could muster a sustained drive. The following week, the Cats traveled to Turtle Creek and were dealt a 14-0 defeat. The Creekers took a two touchdown lead in the first quarter and held it throughout the game.

The Wildcats had a poor start, losing four out of their first five games, but came on in the latter stages of the season to post a 3 won, 1 tied, 6 lost season. Seven seniors have played their final game for Wilmerding. They are George Mazur, Don Cima, Frank Patella, Tom Patterson, Tom Wehrli, Ray Hussey, and Jack Gerard. Manager Ralph Nastari is also graduating. There are twelve lettermen returning for next years team.

CHEERLEADERS . . .

Leaders Of School Spirit

Rain, snow, sleet, or shine these six girls are always on the job leading cheers at football games, basketball games, and rallies. They are behind the team with their peppy cheers and loud shouts trying to lead the team on to victory. The seniors on the squad are: Dianna Hoffstot (6 years), and Margie Hohing (3 years). The four remaining squad members are Janice Zim-

merman, Marlene Daily, Diane Pugsley, and Sheila Capo, all sophomores.

We wish to express our deep appreciation of our "pep, vim, and vitality" girls of Wilmerding High School. Our cheerleaders practiced often during the hot summer to learn new cheers and to perfect the old ones, to lead us at our pep rallies and games.

These People Assisted at Athletic Events

REFRESHMENT SQUAD

Much gratitude and appreciation should be shown to a group of seniors who made up our Refreshment Squad and to Mr. Lightner who was its supervisor. This group gave their time to the selling of refreshments at our football games. Each year the Refreshment Squad consists of new members, all seniors, but each year, as this year, they are appreciated and certainly needed. Thanks for a job well done.

STUDENT ASSISTANTS

Those senior girls chosen by Mr. Graham gave their time and effort to help out at football and basketball games. Their job was to collect tickets and give out the programs with a friendly smile. They were under the direction of Mr. Graham. Thanks again, girls, for a job well done and one highly appreciated.

GIRLS ATHLETIC COUNCIL

The Girls' Athletic Council, more popularly known as the GAC, is an organization whose main purpose is promoting good sportsmanship and giving girls an opportunity to participate in competitive sports. Comprised of ten members, five seniors, four juniors, and one sophomore—the Council is advised by Mrs. Alma Reichenbach.

This year's members chose the following girls to lead them: JOAnne Holub, president; Genevieve Wiltuck, vice-president, Martha Novakovich, secretary; and Barbara Sandrovich, treasurer.

J. Holub and Mrs. Reichenbach check parings for badminton meets.

We Learned Good Sportsmanship

By participating in sports sponsored by the GAC, girls can earn an emblem. Some sports included in the girls' schedule are: volleyball, basketball, badminton, softball, and bowling. The girls of the GAC work together to set up the intermural program for the girls of our school and referee the games in which these girls participate.

Home basketball games will find the girls selling candy and potato chips. This is enjoyed by the fans as a half-time refresher.

The GAC has won a high spot in our school for its hard work in furthering an interest of athletics among our girls.

BASKETBALL

The wildcats under the direction of Mr. E. J. Scurci, started out slowly and lost all eight of their pre-section games. Once the section competition started however, the "Cats" really rolled and won thirteen of the fourteen league games to cop the Section XVI title.

Wilmerding opened their pre-section schedule November 29th by dropping a 53-37 decision to Munhall. The "Cats" were beaten by Connellsville, 57-50. Wilmerding then lost their next three games by four points each. Plum, Jeannette, and North Huntingdon winning by 47-43, 45-51, and 53-49 respectively. The Wildcats traveled to Clairton where they suffered their worst setback of the season, 82-40.

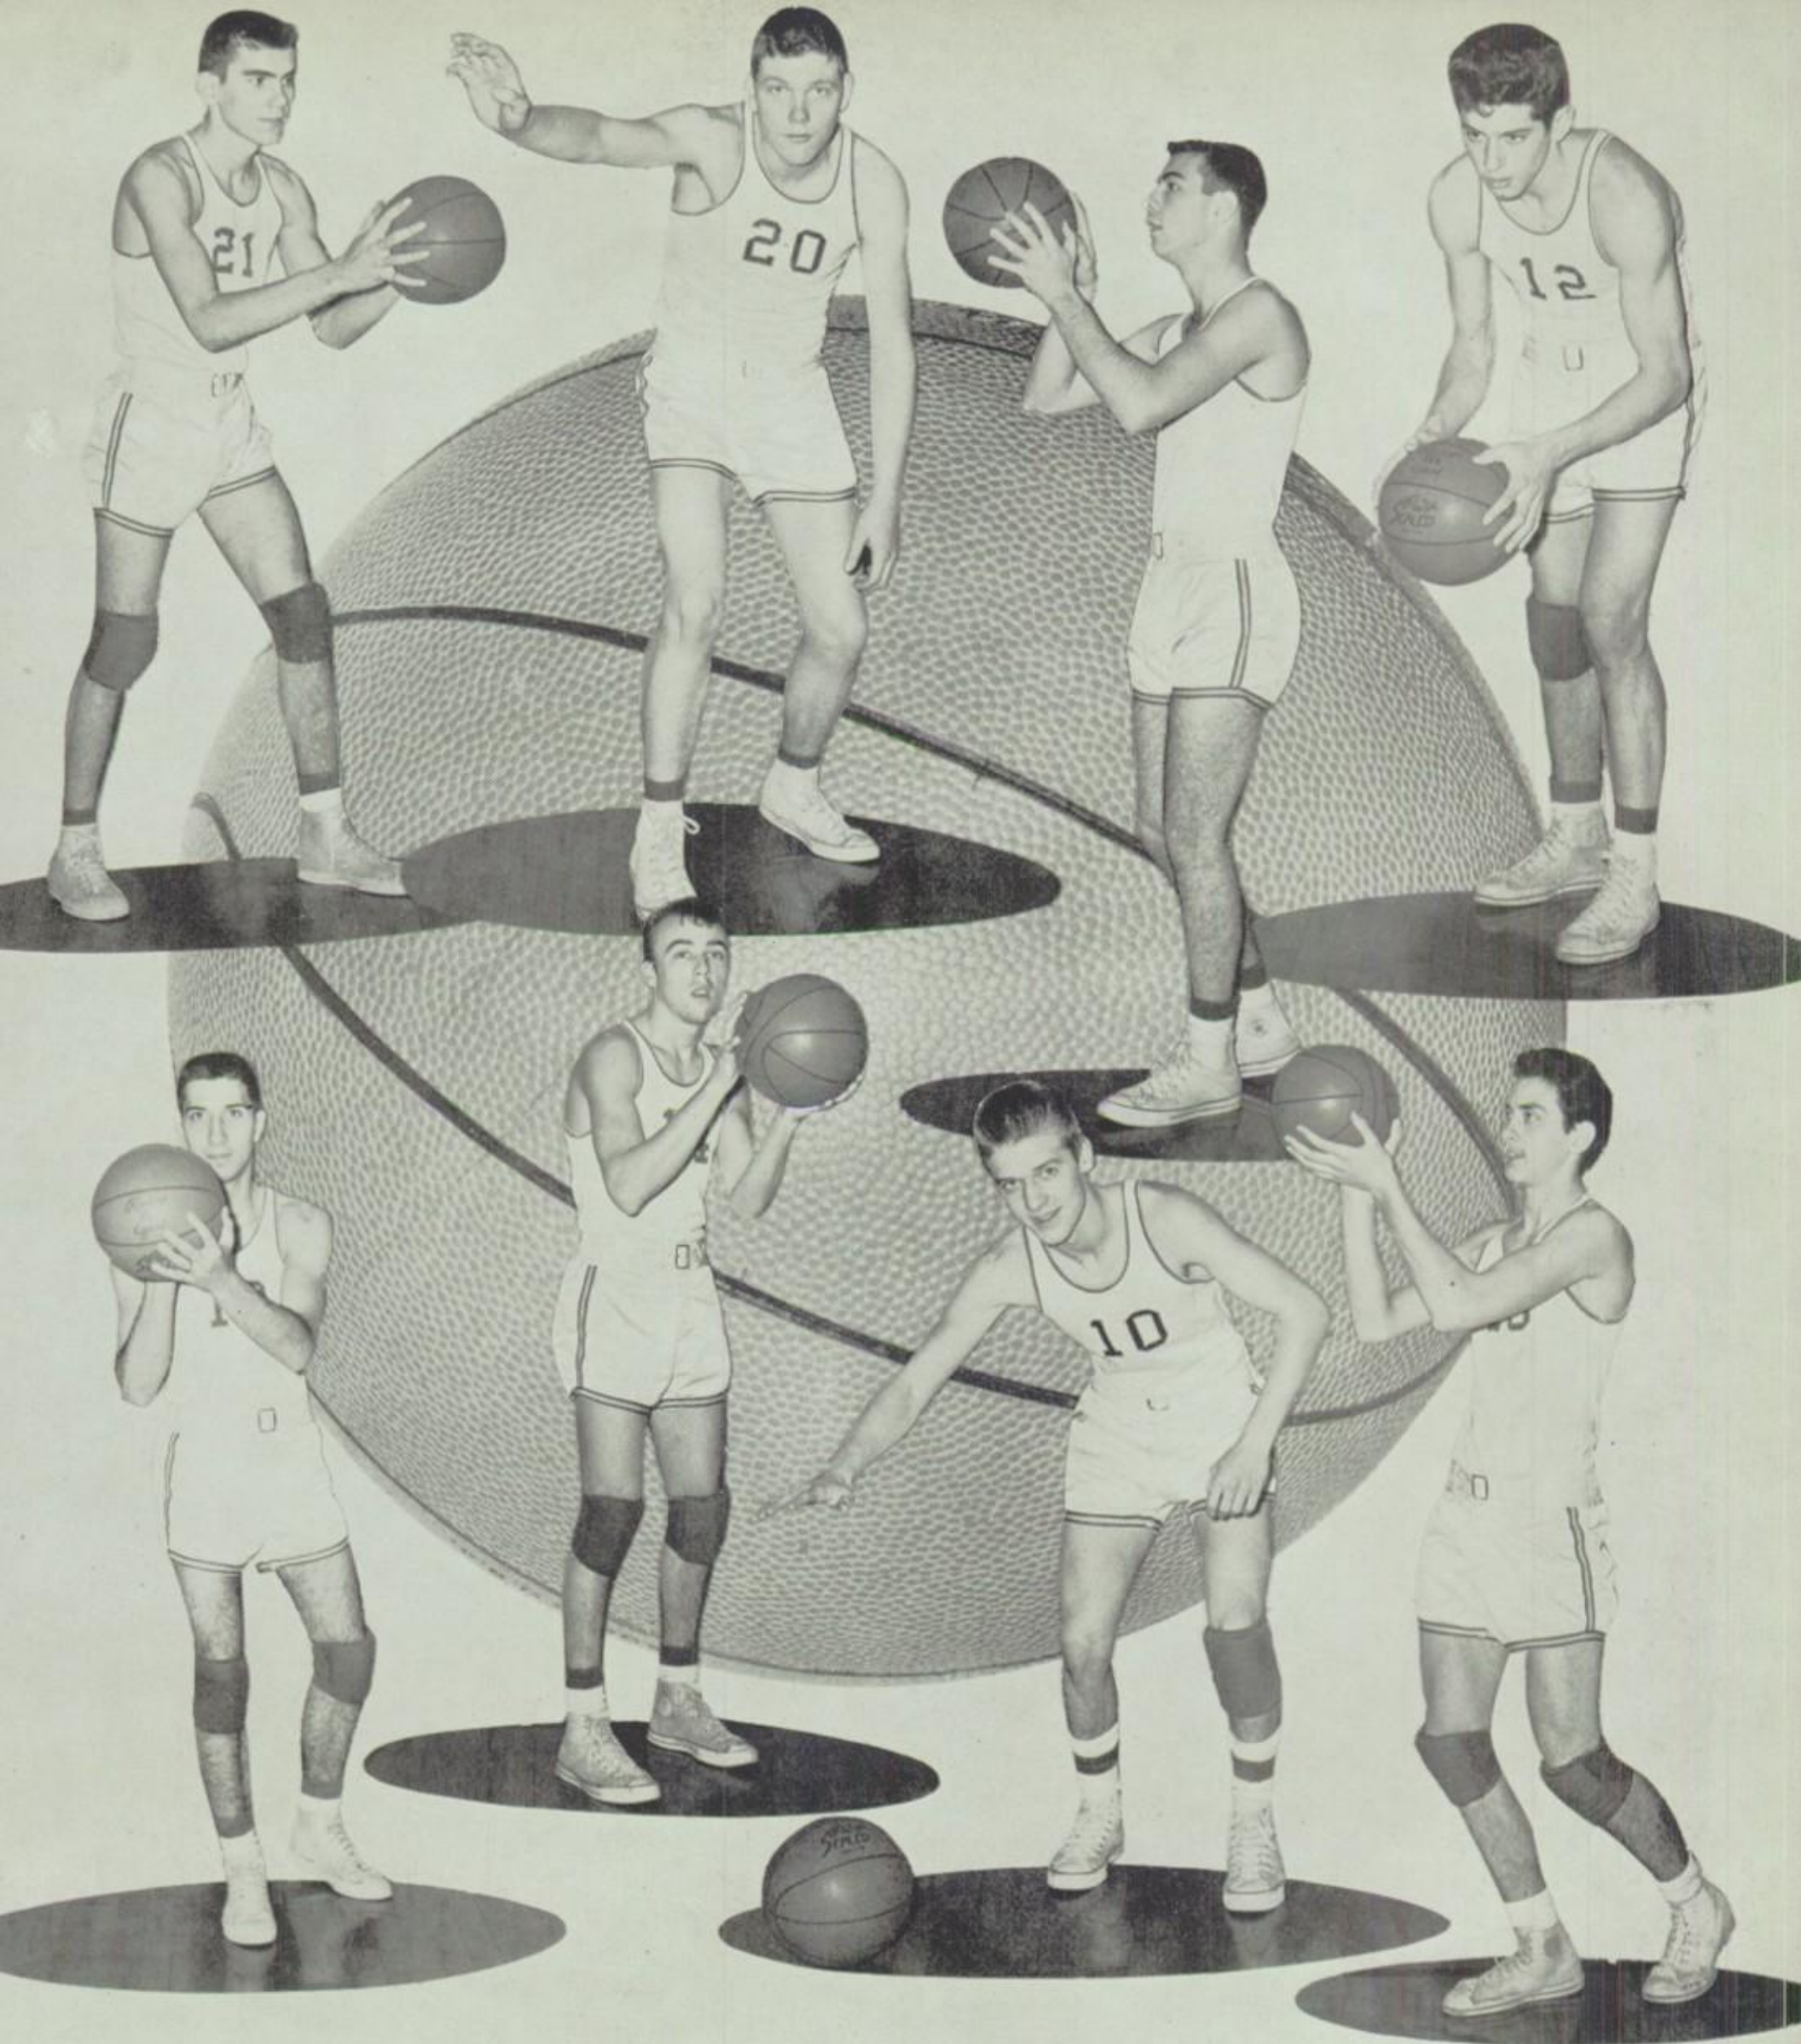

Section XVI play got underway with the "Cats" chalking up their first win. Export was the victim by a score of 53-45. East McKeesport was stopped by a 55-45 margin. Franklin Township was the "Cats" third section win by a 60-36 score. Wilmerding overcome the home court advantage of Edgewood and won 54-55.

BASKETBALL

Wilmerding squeaked by East Pittsburgh 38-37; defeated Trafford 38-34, and closed out the first half of the section schedule by beating Pitcairn 46-45.

The "Cats" opened the second half of league play by defeating Export 56-43. East McKeesport lost to the Wildcats in the final seconds 40-38. Franklin was a victim the second time by a 40-38 margin. Edgewood, in a game that decided the section title, lost to the "Cats" 41-34. East Pittsburgh was the twelfth straight for Wilmerding by a score of 46-27. The "Cats" were ambushed at the Trafford band box floor and suffered their first defeat in league play, 56-50. Wilmerding closed out their section games with a fine thirteen and one record by downing Pitcairn 57-31.

In the first round of the W. P. I. A. L. elimination games, Wilmerding met Sharpsburg at the McKeesport Vocational floor. The "Cats" were beaten by a very fine Sharpsburg team. Sharpsburg had too many guns for the Wildcats, who went down fighting gamely. This 56-39 score brought down the curtain on a very fine year for the Wilmerding Wildcats. After their losing start, they closed out the season with a very respectable thirteen and ten record.
